IMPORTANT INFORMATION ABOUT THE WEEKLY TENNIS PROGRAM AT HOTEL PINETA CAMPI

Our tennis camp with weekly program from Saturday to Saturday is organized as follows:

- 1) Our groups consist of four people per coach, with the same playing skills.
- 2) Each training session begins with a brief warm-up on court 1. After that, each training session lasts 2 hours, starting on Sunday morning and ending on Thursday in the afternoon, for a total of 10 / 15 hours over 5 days.
- 3) On Sunday, the first day, the camp starts with the "playability test" at 8:00 a.m.: This very important moment has the purpose of helping us to organize homogeneous groups of players. In case that is not possible to form a group of participants with the same level of play, private lessons could be the alternative. Only in case of a course not taking place, a cancellation of your booking can be made. However, if you decide not to attend the course on your own, we will have to charge the entire course fee for organizational reasons. If you are unable to appear during the skill test, please let us know by mail and send us a short video about your basic shots (10 x forehand | 10 x backhand) via mail. A video via smartphone is enough and makes it much easier for us to organize the groups!
- 4) Our usual training schedule is as follows (and will be announced on Sunday no later than 11:00 am after the playing skill test at 8:00 am) Monday to Thursday 8-10 am, 10-12 am, 12-2 pm (lunch break or private training), 2-4 pm, 4-6 pm, depending on the weeks, weather forecast and number of guests.
- 5) All appointments will be officially communicated to the participants at the information desk in the hotel. The training hours that you miss for personal reasons will be charged, but not reorganized.
- 6) Bad weather regulation: We will try to catch up on missed hours due to the weather conditions. We guarantee a minimum of hours for our 10* hours program - 8 hours / 15* hours program - 13 hours / 5* hours kids' program - 3 hours. If the guaranteed hours cannot be played either, 50% of the non-played guaranteed hours will be refunded.
- 7) If you book "last minute" (and therefore only register for the weekly program on Saturday evening), we charge a surcharge of €10.00 per participant per course.
- 8) If you choose private lessons, please note that in high season we can only book private lessons between 12:00-14:00 and from 18:00, as the other times are reserved for the weekly course. All our private and group courses outside the weekly course are also weather-dependent and can only be confirmed on site!
